## Terms & Conditions

FlexiPass provides 10 journeys for £2.90 that exit at T4, T5 or T6 and for class 2 vehicles and new customers only.

### Eligibility and exclusions

A maximum of 10 eligible car journeys (class 2 vehicles) priced at £2.90 entering or exiting at junctions T4, T5 or T6.

Drivers must use the ANPR lanes for their vehicle to be recognised. The product is registered to one car only and other household cars would need to be registered with a separate FlexiPass ANPR product. **Please visit <https://customer.m6toll.co.uk/> to keep your account details up to date.**

### Billing and payments

FlexiPass ANPR accounts are only active when a valid payment card is registered to that account. An initial payment of £29 will entitle the driver to 10 journeys entering or exiting at T4, T5, or T6.

### Please note:

FlexiPass ANPR accounts will be deducted the full normal value of the trips and then adjusted (prior to billing) to apply the discount across all eligible journeys. This will happen weekly.

Any trips outside of the FlexiPass eligible journeys will be charged at the 5% discounted rate and charged to the card provided at account opening weekly. Once all 10 journeys have been used, you will be charged a further £29, giving you a further 10 journeys.
