

ReturnPass

Terms & Conditions

Covers eligible same day return journeys made on the M6toll starting or ending at T3, T4, T5 or T6, for class 2 vehicles only.

Eligibility and exclusions

Return journeys must be made within the same calendar day and for a maximum of 10 eligible car journeys in a week made on the M6toll starting or ending at T3, T4, T5 or T6.

ReturnPass customers must use their ReturnPass TAG. **Please visit <https://customer.m6toll.co.uk/>** to keep your account details up to date. Failure to fix and display the tag in the windscreen correctly may result in incorrect charges and delays when entering or exiting the road. If you do not have your TAG in your vehicle we cannot “add” a journey to your eligible ReturnPass journeys.

No minimum contract can be cancelled at any time. All other TAG terms and conditions apply.

Billing and payments

A valid payment card must be registered to the account, and a minimum initial deposit of £50 is required. When the balance of your ReturnPass account reached £5 an automatic top-up of £50 will occur. No TAG lease fee is payable, usually £1 per month. Eligible same day return journeys will be entitled to receive a 20% discount on the standard displayed toll price. ReturnPass TAG accounts will be charged 5% discount on journeys made and the remaining 15% will be applied to eligible journeys weekly.

Any trips outside of the ReturnPass eligible journeys will be charged at the usual TAG 5% discounted rate.
