

Shuttle

Terms & Conditions

Valid for journeys using the middle part of the M6toll road, only using local junctions around Tamworth, Shenstone, Lichfield, Burntwood and Brownhills (T3 North to T3 South, T4, T5, T6).

Eligibility and exclusions

Unlimited car journeys (class 2 vehicles), per week, entering and exiting at junction plazas T4, T5 or T6 or those making return trips between T3 north & T3 south toll plazas.

Shuttle Customers must use their Shuttle TAG. **Please visit <https://customer.m6toll.co.uk/>** to keep your account details up to date. Failure to fix and display the tag in the windscreen correctly may result in incorrect charges and delays when entering or exiting the road. If you do not have your TAG in your vehicle we cannot “add” a journey to your eligible Shuttle journeys.

Billing and payments

Shuttle TAG accounts are only active when a valid payment card is registered to that account. No TAG lease fee is payable (usually £1 per month). A maximum payment of £25 per week will entitle the driver to travel between local junctions T4, T5, T6 or to make return trips between T3 North & T3 South toll plazas.

No minimum contract can be cancelled at any time. All other TAG terms and conditions apply.

Please note:

Shuttle TAG accounts will be deducted the full normal value of the trips and then adjusted (prior to billing) to apply the £25 charge across all eligible journeys. Whilst this may cause a Shuttle TAG account to briefly appear in deficit, the Shuttle charge will be applied prior to billing so that no more than £25 each week will ever be taken from a participant’s payment account. The £25 weekly charge will not be applied if no eligible journeys have been made. Any trips outside of the Shuttle eligible journeys will be charged at the usual TAG 5% discounted rate.
