

# Payment Notice

## Terms & Conditions

A Payment Notice is issued when you have been unable to pay the toll charge on the date and time of your journey on the M6toll.

The toll payment due is calculated by reference to our pricing structure as displayed at the toll booth and as published on our website [www.m6toll.co.uk](http://www.m6toll.co.uk)

### **Paying a Payment Notice**

Payment should be made as soon as possible after your journey and within 6 days after the day of issue to avoid any further administration charges. The easiest way to do this is online at [https://product.m6toll.co.uk/payment\\_notice.html/](https://product.m6toll.co.uk/payment_notice.html/).

If you have not paid the Payment Notice within 6 full days following the day of issue the M6toll will commence payment recovery process. We will pass the outstanding toll fee plus £70 charges onto a third-party debt recovery agency which will incur further charges & may result in possible court action.

Further information on M6toll Toll Enforcement Policy can be found at [www.m6toll.co.uk](http://www.m6toll.co.uk)

Please note, The General Data Protection Regulations require us to inform you that a digital image of your vehicle was captured at the time of passage and may be used to obtain licence information from the DVLA for the third-party debt recovery agency to instigate legal proceedings on behalf of M6toll for recovery of any monies due.
